Nothing that helps to make a perfect road and thresher engine has

been left out or slighted in the construction of the Nichols-Shepard

Traction Engine. Everything has been done that science, skill and experience could suggest to add to its effectiveness, power, durability

and safety from explosion and fire. The boiler is of the very best selected steel, thoroughly well made and provided with every approved safety appliance. The fire-box is surrounded by water—top, bottom and sides.

The draft-damper is so made that sparks and ashes can't drop out, and

the smoke-stack is fitted with patent bonnet and spark-arrester. Every

Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which has caused her great suffering for years. Terrible sores would break out on her head and face, and the nest doctors could give no help; but her cure is complete and her health is excellent." This shows what thousands have proved,-that Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter isalt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion, builds up the strength. Only 50 cents. Sold by Short & Haynes, Druggist. Guaranteed.
